

## **EnTegrity Assistance Line**

EnPro Industries has established the EnTegrity Assistance Line as a way to report questionable business activities or violations of EnPro's Code of Business Conduct. The EnTegrity Assistance Line is staffed 24 hours a day, seven days a week by an independent organization that will ensure concerns are properly reported to EnPro or our board of directors. Reports may be made anonymously by calling:

In the United States: **1-770-582-5207 or 1-888-840-2349**
