# PREST ON-SITE SERVICE

PREST is a unique and comprehensive sealing service program, dedicated to the reliability, performance and security of your equipment. From the design to maintenance of your installations, this service enables you to confidently manage lead times and optimize costs, no matter the market.

---

# PREST, A SERVICE WHICH BRINGS US CLOSER

We created the PREST service more than 50 years ago to support the specific sealing needs of our clientele around the world. This comprehensive sealing service continues to be advantageous to our customers, considering the logistical challenges of today.

---
